

## Little Everglades Ranch Continuous Drive

The ranch is on 2000 acres of protected land that we will showcase on Sunday **November 29<sup>th</sup>** 2009. A driving event that uses all parts of the ranch. Flat hay fields, great driving clay roads, shaded woods formed with lovely oaks forming a beautiful setting to drive. Go thru the truck scales get your turnout weighed! We will keep everything very wide and unassuming so beginners can just have a very successful outing and advance drivers can do some fun miles and have a good relaxing. On the cross country drive watch for wildlife, could be your lucky day. South Creek Foxhounds are cooking lunch. We are looking forward to all you joining us and sharing the ranch with you.
