Clinic Time: 9am-12pm

\$45 per Clinic, or

\$125 for the series of all 3 clinics

The Youth Athlete Driving Program has been developed to introduce youth to driving, and improve the driving skills of those that are currently driving.

Each clinic in this series will be 3-4 hours of fun interactive learning that will include horse management, harnessing, safety check, and driving(at any level). Individual driving lessons for all that are currently driving no matter your level. Horse management and intro to driving(in carriage) for those not currently driving. All skill levels are encouraged to come how fun driving is!
